

FOR IMMEDIATE RELEASE:

Precyse Solutions' Doyon and Primeau Promoted to New Roles

Wayne, PA, September 15, 2005- Precyse Solutions is pleased to announce the promotion of Cindy Doyon, RHIA to Regional Vice President of the Western Region and Debi Primeau, MAOM, RHIA to Vice President, Process Improvement. These promotions are part of the company's ongoing focus on professional development.

Ms. Doyon, a 28-year veteran and recognized thought leader in Health Information Management, was chosen for this role based on her demonstration of leadership and dedication to client satisfaction. Ms. Doyon's responsibilities will include management of all client services activities for over 100 Precyse Solutions' Western Region clients. In May 2005, Ms. Doyon was named the California Health Information Association's (CHIA's) Distinguished Member of the Year.

Ms. Primeau, a 30-year veteran, was a former Director of the CHIA Board of Directors, and continues as an active member of the organization. Ms. Primeau was selected for this new role as Vice President, Process Improvement based on her proven organizational management and process skills. Ms. Primeau will concentrate her efforts on refinement of best practices, assessments and college internship and mentoring programs. Ms. Primeau will also oversee continuing education programs, technical interviewing and orientation programs.

Jeff Levitt, founder, Chairman and CEO of Precyse Solutions, notes the enormous contribution Ms. Doyon and Ms. Primeau have made to the HIM profession and to Precyse Solutions' western region customers: "Cindy and Debi's commitment to the HIM profession and their ongoing sharing of knowledge throughout the profession have made them valued resources for our clients. Our clients have come to rely on Cindy and Debi for proven solutions to their HIM issues."

About Precyse Solutions

Precyse Solutions is an industry-leading provider of outsourced Health Information Management/Medical Records (HIM) services to hospitals and healthcare organizations within the US. Healthcare providers utilize Precyse's services to accelerate cash flows, reduce their operating expenses, streamline workflow processes, improve the capture and coding of clinical information, and maintain regulatory compliance.

Precyse Solutions is privately held and headquartered in Wayne, PA. For more information, please visit www.precysesolutions.com.
