

FOR IMMEDIATE RELEASE:

Precyse Solutions' Doyon, Servais and Roberts Selected to Speak at AHIMA

Wayne, PA, October 4, 2006 – Precyse Solutions, a leader in outsourced health information management services and technologies, announced that three of their key employees will be featured speakers at the American Health Information Management Association, (AHIMA) 78th Convention and Exhibit that will take place in Denver, October 7-12, 2006. AHIMA is the premier association for the Health Information Management (HIM) industry.

Cindy Doyon, RHIA, Western Regional Vice President and Daisy Roberts, RHIA, Senior HIM Consultant for Precyse Solutions will be presenting a 3-hour advanced workshop on "Developing, Tracking and Monitoring Employee Productivity." Cheryl Servais, MPH, RHIA, Vice President for Compliance and Privacy Officer for Precyse Solutions, will speak about "Government Audit Initiatives - New CMS Pilot, Your Role in This and Other Initiatives." In addition, Servais will conduct a workshop on Recovery Audit Contractors and lead a discussion during the Legal Health Record Breakfast.

"Precyse Colleagues are dedicated to promoting best practices in the HIM industry. Ms. Doyon, Roberts and Servais have long been recognized as industry leaders and their presentations at the 2006 AHIMA will showcase their expertise," said Jeff Levitt, Founder, Chairman, and CEO of Precyse Solutions. "Precyse Solutions is pleased to offer our experience and best practices to the AHIMA audience."

In other news related to AHIMA, Precyse announced that it would again support AHIMA and its Foundation of Research and Education (FORE) as a Gold Corporate Partner. Through this sponsorship, the FORE Foundation conducts research into current HIM topics, publishes Practice Guidelines and other materials to advance the HIM profession, and provides scholarships to HIM

students. Precyse's contribution this year will go to underwrite two undergraduate FORE Merit Scholarships for students pursuing their undergraduate work in Health Information Management courses, as well as an EHR workgroup and a reception honoring AHIMA fellows. As one of its key professional objectives, Precyse provides and delivers ongoing education to both current and future HIM professionals.

About Precyse Solutions

Precyse Solutions is an industry-leading provider of outsourced Health Information Management/Medical Records (HIM) services and technologies to hospitals and healthcare organizations within the US. Healthcare providers utilize Precyse's services to accelerate cash flows, reduce their operating expenses, streamline workflow processes, improve the capture and coding of clinical information, and maintain regulatory compliance. Precyse Solutions is privately held and headquartered in Wayne, PA. For more information, please visit www.precysesolutions.com.

About AHIMA

AHIMA is the premier association of HIM professionals. AHIMA's 50,000 members are dedicated to the effective management of personal health information needed to deliver quality healthcare to the public. Founded in 1928 to improve the quality of medical records, AHIMA is committed to advancing the HIM profession in an increasingly electronic and global environment through leadership in advocacy, education, certification, and lifelong learning. For more information, visit www.ahima.org.

About FORE

The Foundation of Research and Education of AHIMA provides financial and intellectual resources to sustain and recognize continuous innovation and advances in HIM for the betterment of the profession, healthcare, and the public. For more information about FORE, visit www.ahima.org/fore.
