

FOR IMMEDIATE RELEASE

Precyse Solutions Adds Klusky and Guthrie To Advisory Council

New Advisory Members Grow Team of Company Strategists

Wayne, PA, January 30, 2007- Precyse Solutions announced today, the addition of Jerome Klusky, CPA and Michael B. Guthrie, MD, MBA, to the Precyse Advisory Council (PAC). The nine-member PAC team offers high-level input and industry advice on the strategic positioning and direction of Precyse Solutions. The PAC, led by Board member Alan Weinstein, helps Precyse by developing new business opportunities and sharing their business and industry expertise and relationships.

Mr. Klusky was formerly a Chief Financial Officer with over 40 years of experience in all aspects of healthcare finance. He has served in executive and senior leadership positions with John Muir Health, Children's Hospital of San Francisco, Mount Sinai Medical Center and Medic-Home Enterprises, Inc. in New York. He originally began his career with Ernst and Ernst.

Dr. Guthrie is an Executive in Residence and Adjunct Professor at the University of Colorado School of Business and serves as an Executive Coach and Management Consultant specializing in physician leadership development. He has over 25 years of clinical and management experience in not-for-profit and for-profit healthcare settings with a focus on physician and medical management, managed care, technology adoption in healthcare, service line excellence and supply chain management.

-more-

“We are honored to have Jerry and Dr. Guthrie join us as a part of our prestigious group of healthcare leaders that make up the Precyse PAC, “ said Jeff Levitt, Founder, Chairman, and CEO of Precyse Solutions. “Their influence and expertise in healthcare finance and operations will be an asset to Precyse as we continue to grow our business and branch out in new strategic directions.”

About Precyse Solutions

Precyse Solutions is an industry-leading provider of outsourced Health Information Management/Medical Records (HIM) services and technologies to hospitals and healthcare organizations within the US. Healthcare providers utilize Precyse’s services to accelerate cash flows, reduce their operating expenses, streamline workflow processes, improve the capture and coding of clinical information, and maintain regulatory compliance. Precyse Solutions is privately held and headquartered in Wayne, PA. For more information, please visit www.precysesolutions.com.
