Precyse Solutions Announces Acquisition of Morgan Stewart Consulting

Wayne, PA, March 6, 2007- Precyse Solutions, LLC, one of the largest outsourced health information management (HIM) services and technologies companies in the U.S., announced today the acquisition of Morgan Stewart Consulting, Inc. The completion of this acquisition will expand Precyse Solutions' client base in the Southeast and add Charles and Margaret Morgan Stewart, RHIA.

Ms. Stewart, a notable national leader in the HIM industry for over 25 years, will join Precyse's already impressive list of HIM industry leading experts. Ms. Stewart is a past president of the American Health Information Management Association (AHIMA) and the Georgia Health Information Management Association (GHIMA), along with receiving numerous accolades from various HIM organizations for her contributions to the profession.

Ms. Stewart founded Morgan Stewart in 1991. The company provided HIM support services with an emphasis on coding and compliance to healthcare organizations, primarily within the Southeast. The addition of Morgan Stewart will enhance Precyse Solutions' strength and expertise in HIM coding and compliance consultative services, and support the company's exclusive focus on quality HIM services.

"We see the acquisition of Morgan Stewart as a great opportunity for Precyse Solutions to further develop our national coding and HIM consulting programs," said Rob Healy, President of Precyse Solutions. "We are fortunate to have the added expertise of
