

**PRECYSE SOLUTIONS NAMES
2008 MARQUEE CLIENT AWARD WINNERS**
PRESTIGIOUS DISTINCTION RECOGNIZES HIM EXCELLENCE.

Wayne, PA – April 16, 2009

Precyse Solutions, a leading provider of clinical documentation software, workflow tools and consulting and management services, has announced its 2008 Marquee Client Award Winners. The following institutions are being recognized for excellence in Health Information Management (HIM) practices:

- Outsource of HIM Functions: Pikeville Medical Center, Pikeville, KY
- Outsource of Transcription Services: Beebe Medical Center, Lewes, DE
- Outsource of Oncology Tumor Registry Services: University of Connecticut Health Center, Farmington, CT
- Education and Audit Services: Highland Regional Medical Center, Prestonsburg, KY
- Staffing and Support Services: Lower Keys Medical Center, Key West, FL
- Remote Coding Services: Hazel Hawkins Medical Center, Hollister, CA
- Multiple HIM Services: Valley Health System, Winchester, VA

Initiated in 2004, the Marquee Client Award program honors exceptional Precyse clients that have demonstrated commitment to achieving best practice standards in HIM. By teaming with Precyse, these clients have set metrics and standards for their HIM departments and work towards a goal of improved accuracy and timeliness of patient documentation. Improved documentation helps improve the delivery of care and favorably impacts the institution's financial bottom line.

Jeffrey Levitt, CEO and Founder of Precyse Solutions, notes the common mission of the award winners, "Our Marquee Clients partner with us through a shared purpose, vision and mission: improving the delivery and cost of healthcare. Accurate and timely information is critical to care decisions and the HIM department is conduit for patient data that needs to be shared across health care providers and administrative support personnel. We are pleased to have clients across all of our service lines focused on excellence through the adoption of best practices and benchmarking."

The Marquee clients are selected based on a set of criteria, including:

1. Clients who share a collective commitment to improving patients' lives and who recognize and appreciate the complexity and value of the solutions Precyse provides.
2. Clients that are committed to the success of their health information management by:
 - a. Involving senior leadership in the evolution of health information management
 - b. Establishing upfront goals and key success criteria
 - c. Conducting business in a respectful, professional, legal and regulatory compliant manner.
3. Minimum of 1 full year as Precyse client.

About Precyse Solutions

Precyse Solutions is a leading provider of clinical documentation software, workflow tools and services used by health systems, hospitals, and large physician practices across the U.S. Precyse's technology-enabled solutions and consulting and management services ensure that medical coding and transcription functions are completed with the highest level of data quality, accuracy and timeliness. By deploying Precyse's technologies and solutions, Precyse's clients realize improvements in operating cost efficiencies, cash flow, patient care and regulatory compliance.
